Psychologies in Star Trek and Star Wars

Salon B - Sunday 2/10 - 2:00 pm

What does it mean to live long and prosper? What was Kirk's motivation between his line of "let them die" vs. Emperor Palpatine's activation of Order 66? We will compare and contrast characters, plots, interpersonal (and interplanetary) relationships in the lenses of different psychological theories. To maintain the belief that there is no rivalry between the two universes, we will maintain a spirit of peaceful coexistence between the two: no bashing. *Dr. Ariel Vitali*
